

### Seneca Participates in the SBC Cares Annual Appeal

Local to Rochester NY, the Rochester Chamber of Commerce Small Business Council organizes an annual campaign with a goal to deliver 3,000 food baskets to local families in need. These baskets contain items from potatoes to apple sauce, each containing a gift card to a local grocery store. The basket is designed to feed two adults and four children.

For the last several years, Seneca has not only donated goods, but volunteered with other local Rochesterians in the delivery to local charities.

Rochester, NY

Washington, DC
